Course Evaluation for [\\${e://Field/Course%20Code%20Section%20Title}](#) taught by [\\${e://Field/Faculty%20Name}](#).

You are currently nearing the end of your course. We hope you take the time to assess the course by completing this survey. Your feedback is important and will help to improve the service and quality of learning for future students. At TRU, we are committed to providing learning with the best possible experience, therefore your feedback is crucial to this continuous improvement process.

Your responses are confidential and faculty members will not be able to link an individual student to any specific responses or comments. Written comments on course evaluations will be screened electronically, and removed, if they contain harassing or defamatory language as defined by the [BC Human Rights Code and the Human Resources Policy 11 - Discrimination and Harassment in the Workplace](#). A course-wide summary report will be provided to faculty members after all the results are compiled and final grades have been submitted.

The Centre for Excellence in Learning and Teaching will report on campus results of course evaluations for students to see how their responses are improving learning at TRU. Those results can be found on the [Student Course Evaluations](#) website.

Please provide your Student TID

This information will be used to track survey completion and will not be shared with your instructor. (example: T12345678)
