

# EV Charging Instructions for the CarShare Parking Space on the TRU Campus (FLO Chargers) – PRIUS

Everything is located in the **center console**: AddEnergie card, Log book, Vehicle Pre-Inspection book

CHARGE

1

## Activate the station

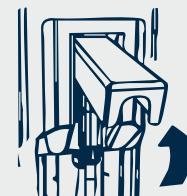

Tap the AddEnergie card on the reader screen on the FLO car charger.

**Hold card on screen until you hear 'beep'.**

2

## Open the door

Open the station's door and pull out the connector.

**The station's door may stick sometimes, please jiggle it.**

3

## Plug the connector

The charge port is on the passenger side.

Plug the connector into your vehicle until you hear 'click'.

Charging will start immediately.

DISCONNECT

4

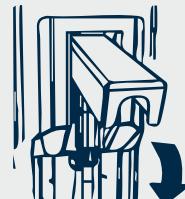

## Disconnect

- Push the button on the bottom right of the charge port to unlock the connector. (photo A).
- Then push button on top of connector to release. (photo B)

5

## Complete charging

Once charging is complete, unplug the connector, replace it in its socket and close the door.
