Welcome

Welcome to our annual Course Book. It contains important information about our JD program and the courses we offer. It does not contain everything you need to know about the JD. Other information, such as course timetables and exam schedules, can be found on our web site:

If you have any suggestions for improving the Course Book, I would be happy to receive them.

With best wishes,

Juris Doctor (JD) Program¹

The JD program consists of 96 credits of courses in three years of full-time study. There are 36 credits of required courses in the first year (1L) followed by 21 credits of required courses and 39 credits of elective courses in the upper two years (2L and 3L). One elective must satisfy the perspectives requirement and one must satisfy the writing requirement (as explained below). A single elective course may satisfy both requirements.

Every course is three credits unless otherwise stated. Most courses run in a single semester for 150 minutes per week in either two 80-minute classes or one 170-minute class with breaks. The six-credit courses in 1L run for two semesters in two classes per week. All classes are held in person except for a few elective courses that have some classes held live on online because they are taught by sessional lecturers who do not live in Kamloops. Clinical practice, directed research, externships, and moots do not have regularly scheduled classes but have activities taking place at variable times.

In 2L and 3L, students normally take 15 credits per semester, but they may take as few as nine credits or as many as 18 credits in a single semester.

1L Required Courses 36 credits	Constitutional Law (6 credits) Contracts (6 credits) Crime: Law and Procedure (6 credits) Fundamental Legal Skills (FLS) Law, Administration and Policy (LAP) Property (6 credits) Torts (6 credits)

2L or 3L Elective Courses 39 credits	includes a perspectives requirement and a writing requirement

¹ Our JD program was amended in 2021. If you began the program in 2021 or later, you are in the amended program described here. If you began the program before 2021, you are in the original program. Information about the original program is in a separate pamphlet, which is available from our Admissions and Records Officer, Leanne Walker (lwalker@tru.ca).

Materials	Stephen Pitel, ed, <i>Private International Law in Common Law Canada</i> , 5th edn (Toronto: Emond Montgomery Publications Ltd, 2023). Any additional materials will be posted on Moodle.		
Calendar Description	This course is a discourse of the doctrines and rules governing legal disputes cutting across provincial or national boundaries. Topics include jurisdiction; distinctions between substantive and procedural rules; the recognition and enforcement of foreign judgements; domicile; proof of foreign law; and the choice of law rules relating to private law (torts, contracts, property, succession and family law).		
Other Information	Conflict of laws, or private international law as it is often known, comes into play where cases involve a foreign element, or in the case of a federal system, such as Canada, have interprovincial dimensions. While courts and laws are often tied to a defined territory, corresponding to national and/or provincial boundaries, that is rarely the case for individuals, corporations, or their respective activities. For example, a business headquartered in British Columbia may also maintain offices in Ontario, or sign contracts with a company based overseas. For various reasons, families may separate and move across the country or international borders. Where legal disputes arise in these situations, they raise challenging procedural questions of where and how the disputes can be resolved. In an age of globalization with people and corporations increasingly on the move or with interests further afield, such questions have never been more pressing. In this course, students will critically examine and apply the rules that have evolved in Canada to determine which courts have jurisdiction over a legal claim, the law to be applied in resolving it, and whether courts will recognize and enforce decisions from another jurisdiction.

The focus of this course is on the second task: the remedy awarded by the court to resolve the dispute.</p> <p>A remedy is the ultimate output of a legal dispute that is decided upon by a court of law—it is the order that the court makes as a final resolution to the matter. The study of the law of remedies has to do with the rules and principles that guide courts of law when they issue orders.</p> <p>This course will not be offered in 2025-26.</p>

Other Information	<p>Video games create virtual worlds that players physically interact with. In so doing video games upset the traditional media apple cart. The gamer becomes the controller of a responsive virtual world, rather than simply a passive “receiver” of images and sound.</p> <p>The creation, dissemination, and enjoyment of interactive entertainment is governed by a multi-dimensional grid of international and domestic laws relating to intellectual property, communications, contracts, torts, privacy, obscenity, antitrust, and freedom of expression. The myriad legal issues currently manifest in digital media often originated in games. That is because games have consistently led the technological, interactive, and creative advancements of the digital age.</p> <p>Accordingly the processes of creating and playing games constitute a useful proving ground for legal constructs applying to all media and mediums. That all of this occurs with a core demographic that includes very large numbers of children considerably complicates the resulting analysis.</p> <p>This course may include online classes live on Zoom.</p>

Study at Another University

It is possible for some of our JD students to study at another university and obtain course credits for their JD from TRU. Opportunities to do this are limited. For more information, please contact Leanne Walker (our Admissions and Records Officer):

<https://www.tru.ca/law/faculty-staff/staff/leanne-walker.html>

Study Abroad

TRU has international exchange programs with five European universities located in the Czech Republic, France, Germany, and Poland. Each university normally accepts one or two of our JD students to study there during one of our fall or winter semesters. Course credits earned at these universities can be accepted for credit towards our JD. For more information, please see:

<https://www.tru.ca/law/jd-program/student-learning-opportunities/international-connections/international-partners.html>

Visit Another Canadian Law School

It is possible for a TRU JD student to visit another Canadian law school for one semester and earn course credits towards their JD from TRU. This requires a letter of permission from the Dean and to be accepted by the other law school as a visiting student. This arrangement is intended to allow a 3L student to participate in an educational opportunity that is not available at TRU and is normally restricted to one or two students per year. Decisions are made in February. Please contact the Department Chair for more information: rchambers@tru.ca

Policies and Other Useful Information

Academic Awards

Please see our web site for information about awards and prizes from the Faculty of Law, TRU, and other organizations.³

Dean's Course Prizes

The student who achieves the highest marks in a course receives a Dean's Course Prize. For courses that are taught in two or three sections each year, there is a prize for the top student in each section.

Dean's List

The students with the highest GPAs over a single academic year are placed on the Dean's List. There is a Dean's List for each year of the JD program (1L, 2L, and 3L) and the top 10% of the students in each year are placed on the list. Each student on the Dean's List receives a letter of congratulations from the Dean and a notation on their TRU transcript.⁴

Law Society Gold Medal

The student who achieves the highest cumulative GPA over all three years of the JD program is awarded the Law Society Gold Medal by the Law Society of BC. Three medals are awarded each year: one each to the top graduating JD student at TRU, UBC, and U Vic.⁵

Academic Integrity

Honesty and integrity are essential qualities for anyone wishing to practice law.⁶ Our JD students are expected to behave honestly and with integrity at all times. They should be familiar with TRU's policy on Student Academic Integrity and understand the different forms of academic dishonesty: cheating, academic misconduct, fabrication, and plagiarism.⁷ This policy applies to every course in the JD program. Alleged breaches of academic integrity are dealt with by TRU's Academic Integrity Committee.⁸

Accommodation

The Faculty of Law will provide reasonable accommodation for students who have difficulty attending classes or exams or completing assignments on time because of illness, disability,

religious observances, family or personal emergencies, or similar special needs. They should consult the Assistant Dean about these issues. Students facing long-term or recurring barriers should read TRU's policy on Academic Accommodations for Students with Disabilities and confer with Accessibility Services.⁹

Exams

Final Exams

Final exams normally take place during the examination periods in December and April.¹⁰ The typical final exam is three hours long and written on computer in an examination room. Students use their own laptop computers (or borrow one from TRU) with special exam software that is configured for closed-book or open-book exams. A final exam can count for up to 100% of the grade in a course, but most courses also involve other forms of assessment.

Mid-term Exams in 1L

Most courses in 1L have a mid-term exam in December and final exam in April. The December mid-terms are "help not hurt" which means that they count towards the final grade only if the mark on the mid-term is better than the mark on the final exam.

Deferred Exams

If a student has a valid reason for missing an exam, they can have a deferred exam. Valid reasons for missing an exam are illness, acute medical condition, domestic affliction, and the Wolf Pack travel schedule.¹¹ Deferred exams are held in early January and early May.

Supplemental Exams

If a student fails a required course because of their poor performance on the final exam, they can have a supplemental exam to attempt to meet or exceed the minimum passing grade of C-. Supplemental exams are held in April and May. Supplemental exams are not available for elective courses (for which the minimum passing grade is D) nor are they available for required courses that are not assessed by final exam (such as Dispute Resolution).

Grades and Marks

Student may receive marks (out of 100) for assignments, exams, etc. Those marks are used to calculate the letter grade that will be awarded at the end of the course. Marks are a means to an end, which is the determination of the appropriate grade. They can provide useful feedback during the course, but the award of a mark does not automatically determine the grade to be

Grading Policy

Title and Effective Date

1. This policy is known as the Thompson Rivers University Faculty of Law Grading Policy (the “Policy”) and is effective as of September 1, 2023 (the “Effective Date”).

Definitions

2. In this Policy, the following words and phrases have the following meanings:

“A-Range Grades” means A-, A, or A+.

“Academic Recognition Policy” means Thompson Rivers University Senate Policy ED 03-4.

“B-Median Rule” means a requirement that the median grade in a course must be a B.

“Chair” means the Department Chair of the Faculty within the meaning of the Collective Agreement.

“Collective Agreement” means the Collective Agreement between Thompson Rivers University and the Thompson Rivers University Faculty Association in force from April 1, 2019, or such successor agreement as may be in force from time to time.

“CR/NCG Course” means any course offered by the Faculty that has been designated as a Credit Granted/No Credit Granted course.

“Dean’s Course Prize” means the prize awarded to the student with the highest grade in a course, as set forth in Sections 10-12.

“Dean’s List” has the meaning given to that term in the Academic Recognition Policy.

“Effective Date” has the meaning assigned in Section 1.

“Exemption” has the meaning assigned in Section 13.

“Faculty” means the Thompson Rivers University Faculty of Law.

“Faculty Council” means the Faculty Council of the Thompson Rivers University Faculty of Law.

“Gold Medal” means the prize awarded in accordance with Section 23.

“Graded Course” means any course offered by the Faculty that is not a CR/NCG Course.

“Graded Course Rules” means Sections 7-12 of this Policy.

Purpose

3. The purpose of this Policy is to ensure that the Faculty awards grades based on the following principles:
 - (i) Consistent distribution of grades across courses;

- (ii) Accurate communication regarding where students stand academically in relation to one another;
 - (iii) Fair reflection of the quality of students' academic performance;
 - (iv) Integrity and transparency, including the avoidance of inflated grades; and
 - (v) Autonomy and individual judgment of instructors.
4. For Graded Courses that are exempt from the Graded Course Rules, and to the extent that instructors have discretion to determine the distribution of grades within the constraints set out in Section 7, instructors should assign grades in a way that reflects the purposes of this Policy.

Graded and CR/NCG Courses

5. In Graded Courses, instructors shall use the 12-band system of letter grades under the matrix established for the Faculty in TRU Policy ED 03-5 on Grading Systems,¹⁴ or, if a successor policy adopted by Thompson Rivers University modifies the letter grade system for the Faculty, the system established under the policy in effect at the applicable time.
6. In CR/NCG Courses, instructors shall assess each student as either "credit granted," for satisfactory performance, or "no credit granted," for unsatisfactory performance.

Graded Course Categories and Rules

7. Except as otherwise provided in this Policy, the following rules respecting the distribution of grades apply to all Graded Courses, based on the number of students enrolled in the course on the date on which the Chair requires grades to be submitted:
- | | |
|---------------------|--|
| 4-9 students | No more than 75% of grades may be A-Range Grades. |
| 10-19 students | No more than 50% of grades may be A-Range Grades. |
| 20-29 students | B-Median Rule applies.
No more than 25% of grades may be A-Range Grades. |
| 30 or more students | B-Median Rule applies.
No more than 15% of grades may be A-Range Grades.
At least 15% of grades must be B- or lower. |
8. Section 7 applies only to (i) final grades and (ii) mid-term grades in full-year 1L courses.
9. For the purpose of applying the requirements of Section 7, all fractions equal to 0.5 or more will be rounded up to the nearest whole number and all fractions less than 0.5 will be rounded down to the nearest whole number.¹⁵

¹⁴ https://www.tru.ca/__shared/assets/Grading_Systems5647.pdf

¹⁵ For example, 15.7% will be rounded up to 16% (and would exceed a 15% upper limit), and 15.2% will be rounded down to 15% (and would comply with a 15% upper limit).

Dean's Course Prize

10. When submitting grades for a Graded Course, the instructor shall identify the student with the highest numerical mark in the course, who will be awarded the Dean's Course Prize.
11. Where a Graded Course is offered in multiple sections in the same academic year, the instructor of each section shall identify the winner of the Dean's Course Prize for that section.
12. Where a Graded Course is offered for a full year, the instructor shall identify the winner of the Dean's Course Prize at the end of the year.

Applying for Exemptions

13. An instructor may apply in advance to the Chair for permission to treat a course as exempt from all or part of the Graded Course Rules (an "Exemption").
14. An Exemption must be requested and granted before the first day of the semester in which the course is offered.
15. A request for an Exemption must be justified with reasons why the course in question is suitable for assessment without the application (in whole or in part) of the Graded Course Rules.
16. The reasons given for a requested Exemption should be relevant to the manner in which, and should reflect to the extent to which, the requested Exemption would depart from the Graded Course Rules.
17. A request for a significant or complete Exemption from the Graded Course Rules should generally be justified with evidence that the course is to be assessed based on experiential work or work equivalent to professional work product, rather than traditional academic assessments such as exams and essays.
18. The decision on whether to grant an Exemption is at the discretion of the Chair.
19. An Exemption applies for one time that the course is offered, and if an instructor wishes to be granted an Exemption for a subsequent offering of the course, the instructor must make a new application.

Exempt Courses

20. Directed research courses, moots, journal, clinical courses, and courses with fewer than four students are exempt from the Graded Course Rules without requiring an application for an Exemption.

Submission of Grades

21. Each instructor shall submit grades after the completion of the course at the time and in the manner directed by the Chair.

Dean's List

22. The Dean's List is determined in accordance with the Academic Recognition Policy.

Gold Medal

23. The Gold Medal is awarded to the graduating student ranking first overall during the entirety that student's enrollment in the Juris Doctor degree.

Prior Policies Rescinded

24. All prior versions of the Faculty Grading and Ranking Policy are rescinded and have no force or effect as of the Effective Date.

Grade Reappraisals

If a student believes that their final grade in a course may be incorrect, they should arrange to meet the instructor to discuss the issue. If the instructor discovers that the grade is incorrect due to a calculation or data-entry error, they can arrange to get the grade corrected. If the instructor believes that the grade is correct, but the student still believes that it is incorrect, the student can apply to the Department Chair for a grade reappraisal.

The Department Chair will arrange for another instructor to review the relevant materials and provide their opinion whether the original grade can be justified. If the other instructor believes that the original grade is not justified, they can recommend that the grade be raised or lowered. The review process can take a month or more after the application deadlines.

The form to apply for a grade reappraisal is in this Course Book. The deadlines to apply are 15 February for fall semester grades and 15 June for winter semester grades.
